SETTING

The "parlor" of a mountain cabin

TIME: Afternoon in late spring. The present.

The Bradford Historical Society and Museum has organized and produced the first of what we hope will be an annual Dinner/Theater.

Tonight's supper consisted of spaghetti and meatballs with all the trimmings. Now you only need to sit back and watch a hilarious comedy and one act play "It's Cold in Them Thar Hills."

In the fall the Society offers an early Thanksgiving Dinner with all the trimmings.

These two activities are designed for your enjoyment and serve as a way to raise much needed revenue for the Society.

This summer we hope to start a 24ft by 40ft building, on the community ground. We can use the building to display the artifacts and history of the Town of Bradford.

Currently, the Society has about one half of the funds that are needed. If you would like to help and/or make a donation to the cause, please feel free to see any of the members.
