E. Hanson- Historical Society- permits are all completed and ready to break  
ground once the ground is ready and thank you for waiving the building fees.

**Item 6. E. Hanson- Bradford Days Monster Truck-**

Wanted to discuss with the Board before the Bradford Days pursues it any further about having a Monster truck at Bradford Days. The board would need to check it out further but the only space that is available would be behind the Sand Salt Shed. The truck would give rides and needed a space 600 by 100 would do some damage but can control it so it wouldn't tear the ground completely up. Also looking into antique tracker pulls there are 3 divisions.

**Item 7. Reports:**

- a. Fire Department- A lot of training is going on right now. Live burn in Levant. Annual training coming up next weekend  
Have sent the 23 page requirements for a new fire station to the TM
- b. Road Commissioner- the last snow storm a lot of phone calls about the slush in the road people were furious about it. Had trucks down needed to order him to get a truck on the road with in an hour. Did receive 2 calls from DOT about the condition of the roads. Selectmen T. Bubar and S. Saunders also received calls. There appears to be approximately 250 yds in the SSS. There are cracks in the new pavement are keeping an eye on them and if they don't seal up will get going on crack sealing. There is a new crack on Gravy Lane near S. Saunders driveway.
- c. Town Manager- Selectmen sign abatement, TM will be in and out a lot for the next month or so for different trainings coming up, T.M. will reimburse the Town but would like to pay for the hotel for the spring conference with the town credit card so I don't have to pay all the tax fees.
